

# Info Flash– Static Data Management old module decommission

Date: **12/03/2020**

Dear client,

As previously communicated, we have recently released the new Static Data Management module featuring our new user interface. Therefore, we will be decommissioning the old version of the module on **30/03/2020**. As from that date, you will not be able to use the old version of the Static Data Management module anymore.

## Who is concerned?

- All Static Data Management users
- Fundsquare station users

## Impacts:

No action required: No action is required on your part; the link to the new module will be present directly in your e-file Launchpad.

No action required: for Fundsquare station user, please note that you will find your Fund tree data in the new e-file module.

## Additional Assistance required?

Should you need any further details, please find through the following [link](#) the before/after presentation in our wiki pages.
