Dear Clients and Partners,

The Commission de Surveillance du Secteur Financier (CSSF) has revised their transmission method for submission of CSDR Article 9 reporting. This change forms a part of the CSSF's ongoing S3 transmission channel development.

The CSSF has now decommissioned the previously authorised channel, and we're pleased to inform you that the new S3 transmission method for CSDR Article 9 reporting is now active.

Important dates

S3 transmission of CSDR Article 9 is now enabled through your e-file service.

Steps requested from you

To ensure continuity of your regulatory submission, compliance and security of information CSDR Article 9, please follow these steps:

- Generate the S3 keys for the scope "Csdr article 9" on the CSSF's eDesk portal.
- Copy/paste the S3 keys generated on eDesk into the e-file administration module under the scope "Csdr article 9".

For more information on S3 keys, please see our knowledge page here.

To avoid any service disruptions and ensure your regulatory compliance, we strongly suggest you start the process as soon as possible.

Can we help?
If you experience any difficulties generating your S3 keys on eDesk, please contact us for further assistance.

Kind regards,
FE fundinfo
