

Info Flash New user-interface

Date: 17/01/2020

Dear e-file user,

As already communicated in the e-file application, we are happy to share with you that as from next week, you will have access to our brand new user-interface on the modules listed below:

- Report generation module for the below forms
 - FATCA
 - CRS
 - TPTOBS

We are also pleased to announce that we will be soon releasing the new Transmission monitoring module to replace the existing Transmission follow up module.

These updates feature refreshed harmonized user interfaces while keeping the existing functionalities and improving the e-file user experience.

Please note that no intervention is needed from you in order to get access to the new interface.

For more information about the new modules, please feel free to refer to our updated Wiki by clicking on these links:

- [FATCA](#)
- [CRS](#)
- [TPTOBS](#)

We remain at your disposal should you need any further assistance.

Best regards,
