Date: 12/05/2014

Summary:

A new version of **e-file light** will be delivered into production on Friday, Mai 16th from 7:00 AM to 9:00 AM (**no service interruption is planned**).

We are improving the functionality of the **Document Management**.

Transmission follow up

A new tab has been added in the Document Management:

Type of sendings	Fund name	Jurisdiction country	Host country	Third party	Transmission date	Status	Duplicate
KIID update		LU	LU		04/02/2014	Transmitted	Duplicate
Notification light		LU	LU		17/02/2014	Transmitted	Duplicate
Notification full		LU	FR		04/03/2014	Transmitted	Duplicate
KIID update		LU	LU		25/03/2014	To transmit	
KIID update		LU	BA		25/03/2014	Selected	

The new Screen allows you to search through of all the packages sent by users of your company for the basket Authorities Transmission for the following transmission statuses:

Transmission status	
Selected	Transmission that are in the basket transmission to authorities but not yet validated
To transmit	Package has been validate and is in process of transmission to authority
Transmitted	Package that have been transmitted to the authority
Legend	

Features

The features available on this screen will be:

- Search by date in the “filter” area
- Full text search for all fields
- The button “Duplicate” for packages that have already been sent. This will create a new sending in the Authorities Transmission Basket
