

Info Flash - Update of Sending Service for FATCA reporting

Date:05/02/2021

Dear client,

We would like to inform you that we had to correct **Sending Service release 5.1.2** and **5.2.0**. Those versions did not use the latest XSD version required by the ACD.

Please be informed that a new Sending Service **5.3.0** version is available in production environment for reporting transmission as of today.

Who is concerned?

All entities transmitting FATCA reports to the ACD regulator.

Action required?

For automatic transmission

In order to be able to send this new version with the Sending Service, the latter has to be updated to version **5.3.0**.

Some guidance regarding the updates are available on our Wiki:

https://www.e-file.lu/wiki/index.php/Sending_Service#Installation_.2F_update_with_Sending_Service_Installer

For manual transmission

No further action is required.

If you have any questions or need further guidance, please do not hesitate to contact us.

Kind regards
