Info Flash – New Anacredit reporting requirements

Date: 18/01/2022

New Anacredit reporting requirements

Dear client,

Following the communication we sent in December, we confirm the release of the new Sending Service for Anacredit reporting to meet the new BCL 1.0.6 report version.

Release of the 5.6.3 Sending Service realease on the 18th of January 2022

Who is concerned?

All the users handling **Anacredit** using the Sending Service tool.

Action required?

For automatic transmission:

- Update the Sending Service - a new version (5.6.3) is available
To meet the 25th January deadline you need **to upgrade your Sending Service**
- More information: https://www.e-file.lu/wiki/index.php/Sending_Service

For manual transmission:

- New version of Transmission Module, **No action** is required on your part as it is a purely technical upgrade on our side
- Name of the Sending type:
    AnaCredit

Testing environment?

Please note that, in the meantime, **you can do test transmissions using our test environment (Homologation).**

The testing Sending Service is available here:
https://homologation.e-file.lu/download/SD.zip

If you require further information on this or other products, please feel free to contact us.

We thank you for your trust and collaboration.

Best regards,
