

# Info Flash – Transmission module – Update certificate

**Date:25/10/2020**

Dear client,

We would like to inform you that we performed a technical update of our **encryption module** in production environment.

## Who is concerned?

All e-file users performing transmission through e-file encryption modules.

## Action required?

### *For manual transmission*

e-file users will need to delete “Java cache”

Please follow the attached procedure in order to help you [https://www.e-file.lu/wiki/index.php/Transmission\\_Module#Delete\\_Java\\_cache](https://www.e-file.lu/wiki/index.php/Transmission_Module#Delete_Java_cache)

### *For automatic transmission*

No action required: No action is required on your part, you will still be able to transmit your XML files through the sending service.
