Info Flash - Sending Service Update : action required

Date: **18/02/2020**

Dear client,

The CSSF has recently released the new 19/731 circular introducing new reportings for credit institutions.

As from the 18/02/2020, you will be able to transmit these new document types through the e-file transmission module as well as through your Sending Service.

Please see below the actions required on your part.

Who is concerned?

All the users transmitting credit institutions reportings through the transmission module or the Sending Service.

Impacts:

For manual transmission

No action required:

No action is required on your part, you will be able to drag and drop your report on the e-file transmission module as previously.

For automatic transmission

Sending service update required:

You will have to update your Sending Service to the **version 4.11.1** to be able to transmit reports built according to the new reports through the Sending Service.

For more information regarding how to update your Sending Service, please refer to our wiki by following the link below.
